Re: Covid-19 UPDATE

Per our Legal Counsel's advise, the Nettles Island Board of Directors wishes you to be aware of the following:

The National State of Emergency has been extended until April 30, 2020.

In addition, Florida Governor, Ron DeSantis, has issued the attached order concerning rentals effective March 28, 2020. Please be advised that Owners who rent in violation of the Governor's Orders can be held legally responsible and may be charged with a second-degree misdemeanor, punishable as provided in Sections 775.082 or 775.083, Florida Statutes.

The Executive Orders of the Florida Governor issued March 24, 2020 directs all persons arriving from an area with substantial community spread, to include the New York Tri-State Area (Connecticut, New Jersey and New York) to quarantine for a period of 14 days from the time of entry into the State of Florida or the duration of the person's presence in the State of Florida, whichever is shorter.

Concerns regarding enforcement of the above Governor's Orders should be directed to the St. Lucie County Sheriff Department or the St. Lucie County Department of Health at 772-462-3800. St. Lucie County Sheriff may be reached by calling 911 or the non-emergency number: 772-462-7300. You may also contact the St. Lucie County Help Line at 772-460-4357.

We urge all residents, tenants and guests to heed the warnings of the CDC and the Florida Department of Health available on the following websites:
