NOTICE TO OWNERS, RENTERS AND GUESTS

RE: WASTE PRO TRASH PICK-UP HOLIDAY SCHEDULE

February 1, 2021

This notice is being provided as a public reference for Owners, Renters and Guests of Nettles Island to advise of the **Holiday scheduling of trash pick up by Waste Pro**. This notice will stay in effect until such time as we are notified of any changes from Waste Pro (trash hauling contractor).

The normal pick up schedule for Waste Pro is every Tuesday and Friday for regular trash and Wednesdays for yard vegetation debris. Please consult the Nettles Island Rules and Regulations for further instructions regarding trash cans and storage of trash, or visit the Waste Pro website at <https://www.wasteprousa.com/>.

Waste Pro will follow their normal pick up schedule, except on **Fourth of July, Thanksgiving and Christmas**. Waste Pro will not pick up trash if these three holidays fall on a Tuesday, Wednesday or Friday, but **will resume trash pick up on the next regularly scheduled trash pick up day (Tuesday and Friday for regular trash pick up and Wednesday for yard vegetation debris)**.

In order to prevent receiving a violation warning notice from the condo association and to prevent a nuisance in the community when wild life or critters scatter and litter trash, Residents and Guests should condense and store their trash in doors, or **securely** if outdoors, until 6:30am on a scheduled trash pick up day. Adhering to the trash pick up schedule stated above and the Nettles Island Rules and Regulations governing trash will be a benefit to everyone in the community of Nettles Island.

Sincerely,

Donna S. Jordan, CMCA, AMS, PCAM®
Professional Community Association Manager for
THE NETTLES ISLAND BOARD OF DIRECTORS
